ABOUT THE B. N. YUGANDHAR CENTRE FOR RURAL STUDIES

The B. N. Yugandhar Centre for Rural Studies (BNYCRS) is a Research Centre of the Lal Bahadur Shastri National Academy of Administration, Mussoorie. It was set up in the year 1989 by the Ministry of Rural Development, Government of India, with a multifaceted agenda that includes the contemporaneous evaluation of the ever-unfolding ground realities pertaining to the Land Administration and Poverty Alleviation Programmes in India. Sensitization of the officer trainees of the Indian Administrative Service in the process of evaluating the land administration/ management and poverty alleviation programmes through exposing them to ground realities; setting up a forum for regular exchange of views on land reforms, socio-economic development and poverty alleviation amid academicians, administrators, activists, planners, stakeholders and concerned citizens and creating awareness amongst the public about the various programmes initiated by the Government of India through non-governmental organizations are also important objectives of the B. N. Yugandhar Centre for Rural Studies. A large number of books, reports related to land reforms, poverty alleviation programmes, rural socio-economic problems etc. published both externally and internally bear testimony to the excellent quality of the Centre. Over the years, the Centre has widened its activities involving conducting research studies, training programmes and workshops/ seminars and provide policy suggestions.
